1. We will be running the Alpha Course on Fridays at 7.30 p.m., starting from 11 November. Next Friday, 4 November, we will have a training session for the Course: if you would like to participate, you are welcome to join us for supper at 6 p.m. in the English Congregation room.

2. Some of you may remember Steven Wu, a student from China who joined us in August and often sat at the back of the congregation. It is with a heavy heart that I inform you of Steven's untimely death last Sunday, 23 October. Steven wanted to be here with us that day, but he was feeling unwell from a heart condition which, sadly, worsened in the night.

Steven had suffered a lot of hardship and setbacks in China, and had been working hard against tough obstacles for the hope of a better, freer life in New Zealand. Steven has no family here, and members of our church have offered to help them in any way possible at this difficult time.

Of your charity, please pray for the repose of Steven's soul, for his family, and for his friends who are still dealing with this sudden shock.
