## **Sermon Outline:**

- A short talk about some of the things we did and gifts we gave to mark the beginning of our baby's Christian life, and their significance.
- Just as we want the best for our children, God wants the best for us, his children.

## **Discussion Questions:**

1. Many people don't think babies should be baptized. Do you?
2. If/When you have a child one day, what would be the first things you do to bring them up as Christians?
3. 'Having nice things': how important is this to you? Why?

## **Notices**

1. At Friday fellowship, we'll be talking about unresolved anger. Mike Lu will be leading the fellowship, and Emily Zhang will be leading the icebreaker.
2. After the service, please stay to practise the Christmas performance.
